CELEBRATING 55 YEARS

TRUSTED SERVICE

OPEN & SHUT

You need service you can trust. We deliver trusted service. It's an open and shut case.

YOUR ONE-STOP SERVICE SOLUTION

For more than half a century, Creative Door Services™ is the brand Canadian business owners have trusted as their turnkey solution provider for intelligent access solutions products and service.

We believe service should be smart, snappy, and solution-oriented, and we put this at the forefront of each and every project to deliver remarkable results.

EXTENSIVE SERVICE

ENTRIES & EXITS

You need to keep people entering your entrances and exiting your exits. We keep the flow going.

QUALITY SERVICE THAT IMPROVES EFFICIENCIES & REDUCES COSTS FOR:

- Commercial sectional doors
- Dock levelers and ancillary dock equipment
- High-performance doors, including high-speed and rubber
- Exterior pedestrian doors and automatic doors
- Specialty doors, including hangar, bi-parting, and fire separation
- Gates and gate operators
- Interior rolling/sliding fire doors

DEDICATED SERVICE

DOORS & DETAILS

You need a service provider that thinks beyond the doors and takes care of the business details. We deliver.

FOCUSED ON SINGLE-POINT-OF-CONTACT SERVICE

Get in touch with your single point of contact at:

National Accounts Administrator
NationalAccounts@creativedor.com

Service program benefits

- In each region, we'll stock sections for servicing doors, no matter the brand. This reduces downtime and costs.
- Access to a cataloguing door service program
- Preferred status for service as a national account
- 25% discount on all parts

Operating system integration

We can easily integrate any operating system, as required.

DEPENDABLE SERVICE

PLANNED & ON-DEMAND

You need to cut capital costs and reduce downtime with an innovative maintenance strategy and plan. We have the perfect solution.

PREVENTATIVE MAINTENANCE SERVICE

A customized preventative maintenance service program to keep your equipment working each and every season is a must. This ensures that your equipment and access solutions products work at maximum efficiency and are reliable when you need them the most.

SERVICE ON DEMAND

24-hour service at all locations

- Toll-free 24-hour on-call number for Canada (833) 278-8483
- Ancillary service partner on-call numbers are also available, as required
- Certified and aligned service partners are available across Canada
