Introducing the R-W THERMATITE BOOK

Richards-Wilcox is pleased to unveil our new 16-page Sectional Overhead Thermatite Product Catalogue. The book provides a freshened look to our Thermatite product line.

Notable New Features Include:

- The addition of Neufoam™ and Weatherlock™ branding.
- The addition of our new T200C Colour Series model.
- The T300, 3" model.
- The T200-20, 20 gauge steel face sheet model.
- A Fullview Glazing page describing the product as well as the fact it's available with Polycarbonate lenses
- A quick overview of our Dyna-Hoist AC and DC product selection.

You can download a digital copy at:

www.rwdoors.com/overhead-doors/thermatite

Printed copies as well as separate sell sheets, with the updated branding, will be available in the coming weeks.
